Dear 50+ magazine,

I just have to tell you all about something that happened to me at this bar on Saturday night. I never would have thought it would happen. Recently I just broke up with my girlfriend of three years and I was feeling a little bit down, so I decided to go to a local bar to get my mind off of her. As I entered the bar I noticed this very attractive older woman watch me come in. I wasn't really sure if she had her eye on me or not so I just went over to the bar and ordered a beer. As I waited for the bartender to pour me a cold one, something told me to look again and she was still looking my way. I got my beer and decided to try my luck and find out if the lady was really interested in me or not.

As I walked towards her, I could see that she definitely was interested. So as I approached her table, all I could think to say was to ask her for a dance, and she gladly accepted. This woman was so hot that as we danced and talked at the same time, I could feel my dick starting to get rock hard. As we kept dancing, I'm sure she could feel it poking her. I could tell this turned her on because she

To 50+:

I don't even know where to begin to describe the sizzling three-way pictorial with cover girl Eva, Eden and Amber. The story line was okay, but the three ladies were so hot, I didn't care about it. I really got off on admiring their beautiful bodies, great boobs and sweet pussies. To see them lick and fondle each other was a buffet of all-woman sex for me. I have looked at the pictorial at least ten or twelve times and the video just as often. It's one of those scenes that will remain with me and if I ever run into one of those ladies, I will get down on my knees and thank them for that very special afternoon of sex. I'll tell them that are in my every thought and fantasy and will most probably treasure this issue for the rest of my life.

reached down and grabbed a handful of my cock as it strained against my slacks. As we kept dancing we got closer and closer and she planted a big kiss on my lips. When the song ended she invited me to walk with her to her SUV. Now that's when things really started heating up. We kissed and pretty soon after she had her hands in my pants stoking my cock. I reached up her skirt and fingered her pussy which was soaking wet.

She told that we might not never see each other again after that night and she wanted to leave me with something to remember her by. She unbuckled my pants and immediately began to suck my cock. Sure enough, she really knew how to work that tongue on my cock. As she kept sucking, I pulled out her boobs which, I have to admit, were some of the most beautiful naturals I'd ever seen. We didn't have any condoms so she suggested that I just shoot my load in her mouth and we call it a night. She began to put more of my cock in her mouth as she moaned waiting for me to shoot my load. When I finally came, it was such a rush that I thought she was gonna spit it out but she swallowed all of

my load. I knew it was a lot since I hadn't cum in about three weeks. Just as she promised, she swallowed every bit of it and kept my cock in her mouth for another minute to be sure it was completely drained.

We talked for another five minutes, and then she went down on me again. This time she did more stuff to me that I was just in complete heaven. I laid back down on the seat and she managed to drain me once again within ten minutes. Now that hasn't ever happened to me before. Now that, indeed, was a night that I would never forget. My only regret is that we didn't have any condoms so I could fuck her wet juicy pussy real good.

– Travis T., Nashville

Hello 50+,

You probably don't get too many letter from women, but then there aren't too many outlets for us that are over fifty, so we're probably a good match. I want to tell your readers about an affair I had with my best friend. I only ask that the readers take it in the spirit it was intended.

Lacey and I were best of friends in college, but afterwards she went off to be a doctor's aide in Raleigh and I stayed in Charlotte working as an insurance adjuster. We stayed in touch throughout the years and even shared some holi-

days together. Then, one Saturday afternoon, we saw each other at my local grocery store last summer. I did not know she was back home, so we went to a local diner to catch up on things. She told me that she had gotten married (again) last year and apologized that she didn't invite me, or anyone else for that matter, because her new husband wanted to get married in Vegas. So they found one of those little chapels on the Strip and tied the knot.

We decided to walk back from the diner and stopped at a park along the way to sit under a big tree and cool off. We hadn't realized that it was well over 85 degrees, which is quite warm for here. I laid back to catch my breath and tried to cool off as Lacey talked about how much she misses the home town.

We talked some more,

caught up on old times and new times. She told me that her decision to marry was much too quick and how she was just starting to regret it. She thought he was going to be the last one, but later found out he had a home-boy mentality, playing golf and drinking with his coworkers buds after work. She felt that he was marrying her because he knew her job would be solid and he could ride along.

Hearing enough melancholy, I sat up and started waving the bottom of my short dress to try and cool off. Lacey looked over and noticed that I wasn't wearing panties. I looked down and reminded her that she and I had discovered the freedom of going without them during our junior year. And through the years, we had spent naked time together – after gym class in the shower, changing at the community pool,

and that time we decided to show our pussies to our boyfriends. We laughed so hard at that because we both chickened out and they guys were soooo disappointed. I told her that since then I was always going commando.

Lacey got up and started walking away from our spot under the tree. I was confused for a moment, then got up to go after her. I asked if everything was okay and she just nodded. She adjusted her blouse from sitting and I noticed that she too was not wearing a bra. She reached out for my hand and I offered it to her. She lightly pulled me to another grassy patch under a smaller tree, but in a bit more secluded area of the park. Again we sat down and kept talking like high school girls. Part way through the conversation she started to talk about what a mistake it was to

get married. That her husband was a jerk and she didn't want to go back and be with him anymore.

I felt bad for her and of-

difficult to resist. Was she feeling the same. But now Lacey had me so hot I didn't care anymore. Lacey backed away and asked if I knew what I was doing.

ferred what consolation my words could carry. I touched her hand to reassure her all would be fine and she touched my forearm, then her hand started sliding up my arm. Her hand lifted my head and she started kissing my face. After a few soft pecks our tongues met, tentatively then passionately. Her mouth was soft and wet, unlike anyone else that I had kissed. My husband was too rough for me sometimes. Maybe it's part of the male machismo but sometimes a woman likes it soft and slow.

By now my head was swimming with the thought of becoming more intimate with a woman. It was becoming increasingly more

I said 'No, I didn't.' and put my hand on one of her breasts anyway. Lacey's were larger than mine and very firm.

Lacey took her blouse off and I cupped her right breast in my hands. I put my left hand under it and used my right hand to pinch and roll her hardening nipple. I traced the outline of her areola with my fingernail and it responded by puckering a little and pushing her nipple out even more. I leaned down and kissed it. Lacey started clutching my leg. The harder I sucked the harder she clutched. Then she let go and took my dress straps off of my shoulders. I sat up and helped her take my dress completely off.

I was now naked except for my sandals. She was still in her skirt and so I helped her out of it, and then her panties. She pulled me close by grabbing my shoulders and leaned over to lick my smaller breasts, eventually taking one, then the other, completely into her mouth. The feeling that washed over me from the way her tongue slid over them was incredible. She sat up and we started kissing again. We pressed our breasts together. She started kissing my neck and chest. I turned my body slightly and opened my legs to give her access to my wet pussy. Her fingers played around the lips for awhile, then went up to my clit.

I was glad her mouth was over mine, because the squeal I let out would surely have been heard back in town. She pulled her lips away to watch my reaction to the light circles her fingertips were making around my protruding clit. Lacey smiled and laid me back so she could straddle me. She finally reached my clit, and I was on my way to climax. Her tongue explored inside me, then she sucked my clit and let a finger find its way into my pussy. She slid another finger in and let them play around.

Then she sat up and straddled my face. I tipped my head back and she put her pussy right on my mouth. I felt her wetness on my lips, like a moist kiss from

a warm mouth. She was completely shaved and her pussy was smooth and tight. I put my hands behind on her butt and pulled her hips hard onto my mouth. I parted her pussy lips with my tongue and started licking inside her, imagining my tongue was a hard cock fucking her. I thrust it in and out while my fingers clenched her butt cheeks. She moaned and grinded her pelvis down on my mouth.

I fell back and pulled her down with me so she landed on her knees, pussy still buried in my face. She lifted a leg over me and swiveled her body so we were now in the sixty-nine position. We each ate the other's pussy with a lustful fervor that, to a stranger, must seem like we had never been fucked. We came together and sat up, kissing with tongues tasting our cum juices from each other's climax.

Just then we heard a loud machine headed our way and I shouted over the noise that it was the grass cutting tractor. We gathered our clothes and headed back to my house for more.

I think that I've also become more vocal. I can't remember screaming during sex or when I climax as much as I do now. Maybe it's because I'm more comfortable with my sexuality and can appreciate my partner's efforts. Now there's just no stopping my love for a good fuck.

Or maybe he wanted to be tied up, or tie me up. But no. He said he wanted to watch me have sex with another man. Now that really took me by surprise, but I was willing.

I told my husband that my boss had been coming on to me and that I actually found him attractive, he agreed and we set it up for a weekend afternoon at his office. Now understand, my husband has a huge cock, so I knew my boss' would not measure up, but that was okay. I loved sucking it on his desk and having him fuck me while my hubby watched us. the football playoffs didn't stand a chance devious plans

BELIEVE IT OR NOT, THERE IS SOMETHING THAT WILL GET YOUR MAN AWAY FROM THE TV.

College football is a religion in Texas and in a lot of other places in the South. This year, the first year of the CFP (college football playoff) system had three teams from the South. And if not for Oregon, all four could have been Southern teams. I was invited to Jackson, Mississippi to join some friends in watching the playoffs. I drove the several hours from Dallas on I-20 and finally found their house. My friend's name is Neville and he's married to Sondra. Yes, they're Brits, but have lived in the states since the Seventies and have become huge American football fans. Their son graduated from Mississippi State a few years ago and now works in New Orleans. That particular day, his brother Murry and two of their best friends Kirk and Alex had gathered in Neville's house to watch it. Pizza had been ordered and a case of beer was in the fridge chilling. Sondra did not share the same excitement, yet she had helped him move the furniture in their house to make space to watch the game.

As the game started and the guys were focused on the TV, Sondra excused herself. At forty-five, she had managed to retain the freshness of a twenty-five year old. She had always been careful of her diet and managed to visit the gym regularly to keep fit. She says that one of her beauty secrets was long bubble baths accompanied with a nice glass of white wine. As she was soaking in the warm water in the tub she could clearly hear that

the game had begun. When she craved attention from Neville, she would devise little plans to make him want her more. They had a great sex life, but after more than fifteen years of marriage, some things just weren't the same. She formulated a plan in her mind, hoping that its outcome would be what she had wanted it to be.

Soaking and drinking, her blood started warming up. She ran her hands across her body, feeling it's smoothness in the soapy water. Linger on her breasts and nipples, giving them a squeeze, she shuddered at the sensations. Next she ran her fingers over her well shaven pubic hair, tracing her slit and her ass crack. She loved her body and how it felt as she ran her fingers over it. Feeling

ing her heat build up she decided she to cool down. She heard the halftime announcement and she decided to come out of the tub. From the noise, it sounded like the home team was winning so the guys would be in a great mood. As she looked at herself in the mirror, she knew her efforts had paid off. She wrapped her large towel around her and looked in at the guys. Still circled around the screen, she thought that they would not notice her, even if she walked in

there in the nude.

She had tried hard to keep her head so that she could execute her plan calmly, but she could not keep herself

She pulled her skirt up past her hips and then opened her legs before me to give me a better view. I leaned forward and began to run my hands up her legs.

from tracing her sexy curves with her hands. Stopping at her breasts, she cupped one of her boobs with one hand as she pinched and rolled her other nipple with the other. A soft moan slipped out her lips as shivers ran down her spine and excitement was building up with each tweak. She had to cool off a bit before carrying out her newest plan. But before that happened, just a few more minutes to herself. She found her clit and rubbed it while she rolling her hardened nipples with her free fingers. Her pussy was getting wetter so she slid two fingers in her wet pussy, moving them in and out feverishly. Each thrust added to the excitement she was feeling. In the meantime, she kept working her erect nipples, groaning all the while. It wasn't long before an orgasm started building up in her and soon she felt her whole body shudder as she climaxed quietly. Removing her fingers she brought them to her mouth and licked them dry. She wanted more, but time had gone by and she had to apply her plan.

Sondra put on the clothes she had laid on the bed, put on some make up and bright red lipstick as she heard the referee signal the start of the third quarter. That was her cue, too. She left the bedroom and walked into the living room, right in front of the guys and stood there and asked them what they would like to drink. Sondra was standing right in front of them dressed in a pair of red high-heeled shoes to accentuate her beautiful legs, which were clad in red stockings and a garter belt. Her thong panties were just visible under the loose sleeveless jersey she was wearing. And since she had not put on a bra, her ample breasts were clearly visible through the large opening round her arms. Her nipples were hard and erect pointing right at the group. As she stood there it was not hard to see the bulges that had grown in their pants and although she was trying very hard not to show any emotion, she could not but feel flattered by their reaction. Neville was sitting – looking at her with his eyes and mouth wide open. He could only whisper her name “Sondra....”

A sexual tension was charging the living room and Sondra decided to take advantage of it. She was dying to see if her husband would choose her over the game. She bent forward in front of them, boobs falling forward and pushing the jersey tight, and began to pick up the paper plates and cups from their first half party. Then she turned around and bent over to pick up the beer bottles that were on the floor, giving the lads a perfectly clear view of her perfect butt whose crack was only covered by the thong that she was wearing. She smiled secretly and lustfully at the gasp and sigh they all made and then headed to the kitchen. She took some beers from the fridge and walked back in. The four guys, still speechless, exchanged looks between themselves then all turned to Neville as if they were seeking for his permission to move. Realizing that she was talking to a stunned crowd, she asked if there was anything else they wanted. Her words ran through the guys like a knife through warm butter.

Neville, who had never been aware of his wife's secret cravings decided he could not let this delicious moment go to waste. He had often fantasized about sharing his wife and the circumstances seemed to be ideal. “Oh well, the game can wait.” he said surprising himself. This gave the guys all the approval they needed. He moved towards his wife and cupping her breasts, winked at his friends who all rushed off the couch and moved all around Sondra caressing and kissing various parts of her body. Murry was the boldest of the three and took advantage of the situation sliding a finger under Sondra's panties finding her dripping wet pussy. He ran his finger up and down her hungry slit becoming more aroused to find how wet she was. The softness of her lips and the sensation it all gave made him trace the crack a few times before sliding his finger in her, making her give out a small gasp. Sondra had to admit that she was getting far more turned on faster than she had fantasized about. Murry's fingers inside her was all she needed to go crazy.

I dug my fingers into her butt as I gripped her and pulled her onto me harder. I pounded into her and I could feel my climax building up inside.

Neville had both his hands full with his wife's beautiful breasts, rolling squeezing them and twisting them in his fingertips. Of all the parts of her body, her breasts were clearly the most desirable, at least for him. Sondra felt she was in heaven and four 'angels' were taking great care of her. As her husband was concentrating on her overly-sensitive nipples, Murry had now slipped three fingers up her pussy and the other two were kissing and licking her willing body.

Realizing there was little room where they were, Sondra suggested they all go to the bedroom. In a matter of seconds they were all lying on the bed, all naked, hot and horny. Now Murry was in between her legs savoring her sweet juices and sending shivers up her spine as he sucked on her swollen clit and finger-fucked her wet pussy. Alex and Kirk were on either side of her with their hands and mouths full with her tits and nipples while Neville was enjoying his wife's skills at sucking his rock hard cock. Sondra was overcome by amazing sensations as tiny orgasms rushed through her entire body as her lovers sucked, kissed and fingered her.

Murry repositioned himself as he was the first to mount her, and as he thrust his long cock in her with one blow, Sondra gave out a short cry. That brought Neville to the edge who could not control himself any longer – and with a mixture of lust and jealousy filled his wife's mouth with his semen. Sondra managed to swallow it all and suck her husband dry letting just a few drops dribble from her mouth. After Neville fell on the bed in pure exhausted, Kirk knelt next to her and fed his cock to his best friend's wife. She hungrily took it into her mouth and gave him the same service she had given Neville. In the meantime, Murry was on the verge of coming and after a few more deep thrusting strokes made her scream lightly as he struck her most sensitive spot and filled her with his juices. The sensation of his semen in her gave Sondra yet another orgasm, this time more powerful than the previous ones that made her spasm for a long

while, all the while shouting in pleasure as one wave after another made her lose complete control. Kirk, who was still kneeling next to her but had lost her attention with all this, stroked his cock a few times as Sondra was unable to continue sucking him and he soon came all over her face.

After letting her catch her breath and wipe her face, Alex, who had up to now not been satisfied, asked Sondra to go on all fours and as she stuck her ass up in the air, he knelt and sucked her cunt, then he ran his tongue to her asshole and worked around the orifice. As he was doing so, he sank two fingers in her well-lubed cunt and when he got them all wet, he pushed them into her anus. Sondra had never let Neville or any of her previous lov-

ers fuck her ass. The feeling she got today though was beyond her wildest imagination. The mixture of pain, pleasure and lust made her go crazy and as Alex moved his fingers in and out of her virgin ass, stretching the hole to accommodate them, she sensed yet another powerful orgasm building up inside her. She screamed to have her ass fucked but Alex continued fingering his friend's wife who was now moaning like a bitch in heat. That made her lose complete control and she bucked and thrust to meet his every surge. Reaching behind her, she grabbed Alex's cock and replaced his fingers with it. Pushing herself back into him, she made sure it was in as far as it would go. Sondra was now in a complete sexual frenzy as all of her holes had been filled and her most private was stuffed with her husband's friend's hard cock.

The crowd on the TV in the other room suddenly cheered so loud that it permeated into the bedroom and caught the ears of the other three guys. They quickly got up to heck out the excitement as Alex pounded her ass until he came, spent and exhausted. He fell on his back and she collapsed on the bed and fell asleep. The next day she was making breakfast and wondered how Neville could be so sad after yesterday. Apparently the home team had lost.

I used to be a sad woman. My husband departed and I was alone for many years. I was caught up in the misery when one day my neighbor sat me down and talked to me. He made me feel better and after a few weeks we slept together.

Natalia

And it was nice for many months until he said that there's a young guy at his office that's pretty sexually liberated. He suggested a three-way.

Of course, at first I said definitely not. I would never. But then I thought about it, and a young cock to boot, well, why not. I hesitantly told my neighbor that I would do it. We had such a great time that they suggested we do it again, but with photographers this time. Again, I hesitated, but agreed and this is what you're now looking at.
